Honorable Commissioner for Patents

Randolph Building, Mail Stop ~~Issue Fee~~  
401 Dulany Street  
Alexandria, VA 22314

Sir:

We are in receipt of a Notice of Allowance, mailed on January 25, 2006. Accompanying that Notice is a copy of a form listing two references that were cited on August 1, 2005. On that form, the Examiner has indicated that those references were not considered and there appears to be a notation on the form indicating no translation. Those references were, in fact, filed with English language abstracts and it is understood that in that situation, it was appropriate to consider at least the abstracts.

Accordingly, submitted herewith is another copy of those references, together with the abstracts, and a duplicate of the form listing those references. It is asked that the

Examiner now indicate that at least the abstracts have been considered and return an initialed copy of the form listing those references.

Respectfully submitted,
